Mr. Ronald J. Maurer
Director of Congressional Liaison Services
Department of Veterans Affairs
B-328 Rayburn House Office Building
Washington DC 20515

Dear Mr. Maurer:

I write to you on behalf of Treatment Diaries, a social networking site based in Winchester, Virginia, where like minded individuals can manage pain or change the way they cope with a health condition by sharing their experiences on the Internet.

Due to a personal experience with illness, the founder and president of Treatment Diaries, Amy Ohm, supports the needs of veterans and their families suffering from a multitude of medical conditions including Post-Traumatic Stress Disorder, Traumatic Brain Injury and depression. Treatment Diaries also protects the privacy of veterans to allow them to be entirely honest with their needs, resulting in strong relationships and candid feedback between otherwise complete strangers.

I believe this will be of assistance to groups the VA interacts with and ask you to please forward this information along as a way to help those in need. Treatment Diaries is available to the community of veterans and their families at www.TreatmentDiaries.com and by emailing support@treatmentdiaries.com to request literature and other resources. If you have further questions, please contact Amy Ohm at 703-727-2521 or amy@treatmentdiaries.com.

Thank you for your consideration and helping me to serve my constituents.

Best wishes

Sincerely,

Frank R. Wolf
Member of Congress
